Dear Mr. James:

We have reviewed the Rappahannock River Basin Commission's (RRBC) financial information, and the George Washington Regional Commission's (GWRC) audit report relating to fiscal year 2013. We have determined that the audit performed by Dunham, Aukamp & Rhodes, PLC for fiscal year 2013 satisfies our statutory requirement to audit the Rappahannock River Basin Commission under Section 62.1-69.33 of the Code of Virginia. For future fiscal years, please send the compiled RRBC's financial information and GWRC's audit report for each fiscal year when they become available to CARD@apa.virginia.gov.

You may submit these documents electronically. We will then review these documents and reassess our need to perform a separate audit of the RRBC.

If anyone inquires about your audit status, please have them contact us.

Sincerely,

Martha S. Mavredes
Auditor of Public Accounts
